[illegible]

[illegible][illegible]

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines across the length of the leaf. The script is a traditional form of the Tamil language, with characters closely spaced and some variations in line alignment due to the natural curvature of the leaf. The leaf is light brown and shows signs of age and wear.

Handwritten text in Tamil script on a second palm leaf manuscript. This leaf also contains approximately 10 lines of text, continuing the script from the first leaf. The text is written in the same traditional Tamil script. The leaf is similarly aged and curved, with a small hole visible near the left edge, likely for binding purposes. The background is dark, highlighting the light-colored leaf.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines. On the left side, there is a small vertical label in Tamil script. The script is finely etched into the surface of the dried leaf.

Handwritten text in Tamil script on a second palm leaf manuscript. Similar to the first, it consists of about 10 lines of text. A small vertical label is also present on the left side. The leaf shows signs of age and wear, with some discoloration and a small hole near the center.

[illegible][illegible]

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Handwritten text in an ancient script, likely Tamil, on a palm leaf. The text is arranged in approximately 12 horizontal lines. A small circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Handwritten text in an ancient script, likely Tamil, on a palm leaf. The text is arranged in approximately 12 horizontal lines. A small circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Handwritten text in Tamil script, likely a historical record or legal document. The text is written in a cursive style on a palm leaf. The script is densely packed across several lines. A small circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Handwritten text in Tamil script, continuing the record or document. The text is written in a cursive style on a palm leaf. The script is densely packed across several lines. A small circular hole is visible near the center of the leaf, used for binding multiple leaves together.

Handwritten text in Tamil script, likely a manuscript or document, showing multiple lines of text across the page. The text is written in a cursive style and appears to be a historical record or a literary work. The page is numbered 100 in the bottom right corner.

[illegible]

[illegible]

[Faint handwritten Tamil script on aged paper, likely a manuscript or historical document.]

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines across the length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Handwritten text in Tamil script on a second palm leaf manuscript. Similar to the first, it contains approximately 10 lines of text. A circular hole is also present near the center for binding.

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small hole is visible near the center, used for binding multiple leaves together.

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small hole is visible near the center, used for binding multiple leaves together.

Handwritten text in Tamil script, likely a historical document or manuscript. The text is written in a cursive style and covers the entire length of the strip. It appears to be a single continuous line of text, possibly a record or a letter. The script is dense and fills the strip from left to right.

Handwritten text in Tamil script, likely a historical document or manuscript. The text is written in a cursive style and covers the entire length of the strip. It appears to be a single continuous line of text, possibly a record or a letter. The script is dense and fills the strip from left to right.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper, which is slightly curved and shows signs of age and wear. The script is dense and fills most of the strip. A small hole is visible near the center, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper, which is slightly curved and shows signs of age and wear. The script is dense and fills most of the strip. A small hole is visible near the center, suggesting it was once part of a bound volume.

Handwritten text in Tamil script, spanning across the top and bottom of the upper leaf. The script is dense and appears to be a historical record or a religious text.

Handwritten text in Tamil script, spanning across the top and bottom of the lower leaf. The script is dense and appears to be a historical record or a religious text.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper, possibly a leaf from a book or a scroll. The script is dense and fills most of the page. A small hole is visible near the center, suggesting it was once bound or tied.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper, possibly a leaf from a book or a scroll. The script is dense and fills most of the page. A small hole is visible near the center, suggesting it was once bound or tied.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 12 horizontal lines across the length of the leaf. The script is a traditional form of the Tamil language, with characters closely spaced and some variations in line alignment. The leaf is light brown and shows signs of age and wear.

Handwritten text in Tamil script on a second palm leaf manuscript. This leaf also contains approximately 12 lines of text, continuing the script from the leaf above. The handwriting is consistent with the top leaf, and the leaf itself is similarly aged and discolored. The text is written in a clear, legible hand.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of parchment or paper, which is slightly curved. The script is dense and fills most of the strip. There is a small hole near the center, suggesting it was once part of a bound volume or a chain of documents. The parchment is aged and shows some discoloration.

Handwritten text in a cursive script, continuing from the strip above. The text is written on a long, narrow strip of parchment or paper, which is slightly curved. The script is dense and fills most of the strip. There is a small hole near the center, suggesting it was once part of a bound volume or a chain of documents. The parchment is aged and shows some discoloration.

Handwritten text in an ancient script, likely Pahlavi, on a long, narrow strip of parchment. The text is arranged in a single column, written in a cursive style. A small hole is visible near the center of the strip, suggesting it was once part of a bound volume or a scroll. The parchment is aged and slightly discolored.

Handwritten text in an ancient script, likely Pahlavi, on a long, narrow strip of parchment. The text is arranged in a single column, written in a cursive style. A small hole is visible near the center of the strip, suggesting it was once part of a bound volume or a scroll. The parchment is aged and slightly discolored.

Handwritten text in Tamil script, likely a historical record or legal document, spanning two lines across the top of the image.

Handwritten text in Tamil script, likely a historical record or legal document, spanning two lines across the bottom of the image.

Handwritten text in Tamil script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines across the length of the palm leaf. The script is dense and fills most of the leaf's surface.

Handwritten text in Tamil script, continuing the narrative or record from the top leaf. The text is written in a similar cursive style and is organized into several lines across the length of the palm leaf. The script is dense and fills most of the leaf's surface.

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Handwritten text in Tamil script on a palm leaf manuscript. The text is written in a cursive style and covers the entire length of the leaf. A small circular hole is visible near the center, used for binding multiple leaves together.

Handwritten text in a cursive script, likely a historical document or manuscript, written on a long, narrow strip of parchment. The text is densely packed and covers the entire length of the strip. A small hole is visible near the center, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely a historical document or manuscript, written on a long, narrow strip of parchment. The text is densely packed and covers the entire length of the strip. A small hole is visible near the center, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of parchment or paper, which is slightly curved. The script is dense and fills most of the strip. There are some faint markings and a small hole near the center, suggesting it was once part of a bound volume or a chain of documents.

Handwritten text in a cursive script, continuing from the strip above. The text is written on a long, narrow strip of parchment or paper, which is slightly curved. The script is dense and fills most of the strip. There are some faint markings and a small hole near the center, suggesting it was once part of a bound volume or a chain of documents.

Handwritten text in Tamil script on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines across the length of the leaf. A circular hole is visible near the center, used for binding multiple leaves together. The script is finely etched into the surface of the dried leaf.

Handwritten text in Tamil script on a second palm leaf manuscript. Similar to the first, it features about 10 lines of text. A circular hole is also present near the center for binding. The characters are clearly inscribed and follow the traditional flow of the language.

Handwritten text in Tamil script, likely a manuscript or document. The text is written in a cursive style and appears to be a list or a series of entries. The script is dense and fills most of the page.
